# cassie

Cassie got something really special for her 18th birthday – a red sports car. It is something she had been asking for for the last two years. At first she was too young, then she didn't have her license, but at 18 there were no more excuses. Even though it was last year's model, she was still ecstatic. Her first drive was up the coast highway to Santa Barbara. Two top-down, wind-in-her-hair hours of pure automotive bliss.

**IF WE WERE TOGETHER, I WOULD DO EVERYTHING I COULD TO MAKE YOU VERY, VERY HAPPY.**

**T**he car felt great under her and she had control. She spent the night at a girlfriend's place and showed it off. In the morning she headed back to L.A. No panties on. She wanted to feel the warm smooth leather on her pussy lips and rub it into the seat, marking her territory. Purposely, she wore a button-front shirt that she would open now and then to feel the breeze on her boobs and nipples. Soon she realized she was caressing and stroking the gear shift like a cock. Oh yeah, she was going to like this car!

# WICKED KITTEN

---

I think the best part of being a professional dancer is getting to date cute guys and go to hot parties. I'm a bit of a hermit, but love to let my hair down and party like there's no tomorrow. Unfortunately there is a tomorrow, so I try to maintain myself and not get too out of hand. Last weekend I went to a downtown party thrown by one of my dance coaches, Jonah. I knew a few of them but most were new faces to me. I noticed this one girl I thought was pretty hot and went to Jonah to ask about her. He said he didn't know who she was but thought she came with a girlfriend of his girlfriend. I walked around a bit and worked my way over to her. She was about 5 foot seven, I'm guessing, with medium length blonde hair, nice boobs framed perfectly in her tank top, and some tight, tight yoga pants that really accented her butt.

I made eye contact with her and smiled. She smiled back and I took a couple steps closer and introduced myself. Holding out my hand I said, "Hi, I'm Jackie." She took it, shaking just my fingers, and said her name was Nicole. I asked if she worked downtown. "Yes, at an ad agency." she replied. She told me she was here as a favor to her girlfriend who didn't want to come alone. She looked

around the room and told me she knew most of the people here. She had come to parties like this for a few years and was tired of them. Then she looked at me and said, "Please don't take that personally." I smiled and made some more small talk. Little by little as people walked by, they'd nod or smile at her, occasionally saying 'Hey Nicole.'" and such. I noticed that she seemed kinda bored or annoyed by it. I suggested we go out to the back porch and she agreed, but only if she found her friend and told her where we would be.

Minutes later, we were outside and continued talking and drinking. I told her what I did. Not impressed. So we just continued with our beers and just looked around the patio and stared into the back yard. After a few minutes of silence, she asked if I wanted to sit down at some chairs off in a corner. She looked over and said "Sure." I went over first and took a seat. She sat on the one next to me and put her drink on the plastic table. Then, looking directly at me, asked if she could kiss me. Shocked, I was. Not knowing what to say, I stammered that I'd never kissed a girl before. She asked if I had ever wondered what it was like? I looked down, saying nothing. "Now's your chance." she said, and put a finger under my chin and gently pushed my head up.

Nicole leaned over and kissed me, first on the cheek,

my ear not to be

and then on my mouth. Her lips were soft and her breath smelled sweet with the aroma of wine. Her right hand slipped over my breast and I felt her squeeze it. She took my hand and guided it under her skirt to her moist pussy. I curled my fingers not knowing what to do down there. She whispered in my ear not to be afraid, open my hand and feel her pussy lips as if they were mine. Slowly I did that and felt no hair. She was clean shaven, I thought to myself. That was something I had been thinking of doing but since I wasn't dating, I hadn't.

Nicole then slid her hand down to my crotch and rubbed over my jeans. I was surprised how nice it felt and found myself begin to rub her clit after finding it between her pussy lips. Her other hand was drawn up to my mouth, and I began to suck on her index finger. I pulled her hand closer to my mouth and then used my tongue to slide up and down the sides of her finger, licking it from top to bottom. To reciprocate, Nicole began to pinch my nipple. I inhaled sharply, drawing a breath in a way that assured Nicole that it felt good. I leaned forward and began to softly kiss Nicole. My lips tugged on Nicole's bottom lip, touched our tongues together, swapped spit and swallowed it. I whispered to her "I want to taste your body." I couldn't believe I was doing this but I pulled Nicole's legs over to straddle me so her pussy was just the right height for me to bury my face between her thighs and

lick it. She pressed her legs together, keeping my head in place. Nicole began to squirm as she came closer and closer to orgasm. Every time she shook, I increased my pace. I flicked her clit with my tongue and occasionally dart my tongue into her pussy, which by now was sopping wet. I wiggled my tongue around but focused mostly on stimulating her clit. She came hard on my face and I popped my head up and pinched her nipples as hard as I could and held them throughout her orgasm. When she stopped shaking, I released her nipples.

In the distance I heard Nicole's name being called out. It was her friend. We quickly composed ourselves and went back towards the party. Nicole left with her friend as if nothing had happened. Three days later I got a call from her, but I didn't answer. Girls can be such boys. **XTC**

## SWEET SEDUCTION

.....  
I'm a pretty good looking guy and I've had enough sex that would make some men jealous. But I just can't seem to bed the really foxy, sexy chicks I see all the time. I've read the articles and books on how to pick up girls and

I pulled Nicole's legs over to straddle me so her pussy was just the right height

even watched a few of the internet videos, but they're mostly bullshit trying to sell you something at the end of a ridiculous twenty minutes. Ugh. Then I spoke to my cousin in Chicago. She told me she has an incredibly sexy roommate Simone, that has problems getting dates. I ask why and she said that guys won't approach her because she's too beautiful. She's a French and Moroccan mix so you know she's gonna be extra hot. So my cousin puts her on the phone with me. After a minute of small talk in her perfect English and incredibly sexy accent, she tells me the secrets.

"First thing is to get and maintain eye contact without seeming weird. Don't be afraid to look her in the eyes, even from a distance. Most men will avert their eyes or turn their heads when a pretty girl looks their way. If you can engage her in some small talk, do. Maybe she'll touch your arm, or flick her hair. Those are sure signs of her interest. Don't be pushy, especially in matters of sex. Odds are if she wants to see you again, then sex is definitely on the table, or in the bed. Keep in mind, hot chicks are being hit on all the time, usually by assholes. It's the good guys they really want and you can be one of them if you play your cards right?" Simone says.

I thanked her for her insights and told her I would let her know how it goes. A few weeks later I'm talking to my sister again to say I didn't really have any news; and she tells me that Simone would like to speak with me and tell me something more. I wait for a moment and that sultry voice comes on. "Hello Simone," I say right away. "Bonjour Matthew," she says back to me. "What's up. You have more insights for me," I ask. "Not really, but there is something that happened to me that may be a lesson for you," she says, "Okay, hit me with it. I wish I had something positive to tell you," I respond.

"Matthew, I recently met a cool guy in Lincoln Park. He was playing chess there with my uncle Jean. I didn't know Jean was going to be there and I saw them as I was jogging through the park. I noticed them and stopped to watch them play a little. My uncle introduced the man as Raphael and he looked up from the chessboard to say hello. Our eyes met and I held his gaze. I smiled and asked if my uncle was being nice and letting him win a game or two. He chuckled and Jean chimed in with 'He's beat me three straight games, so now it's the last one. Best four out of seven! Okay Rafe, what shall we bet on this last game?' Raphael looked back at me and said, 'Drinks with your niece if I win, and if I lose, I will cry for three days.' Both Jean and I were quite surprised. Then I realized it was a compliment, not a real competition. Jean looked up at me and I smiled and nodded. Knowing I was on the block, I watched them play their long, tedious last game. More than an hour into it Jean's king is trapped in the corner and it's finally 'checkmate.'

Strangely, as I watched, I thought my uncle might be throwing the match."

"Raphael and I met the next night for drinks. He's a gentleman the whole time, telling me about his job, his interests and asking about mine. He's not that handsome, but his confidence showed and the way he carried himself was very appealing. He dressed perfectly."

"Did you see him again?" I asked breaking into her flow.

"I did. Two days later we had dinner together and we've been seeing each other almost every day since. The other night he comes home from work and I'm there waiting for him. We have a couple of drinks while I listen to what kind of day he's had. After several minutes, He's sitting on the sofa and I kneel next to him. He tells me how sweet and sexy I am and how fortunate he is to be with me. I reach over and unbutton his shirt and open it up. I kiss his chest and linger on his nipples. To his moans I unzip his pants and slip my hand inside. He asks if I would stand and disrobe while he watches and adores me. I slowly get up and slip the short top off over my head. He watches me as I wiggle my hips and push down

.....

my skirt, slipping it off my feet. He is so wonderful with his compliments, I feel so good when he talks to me like this. I kneel next to him again so that he can reach every part of me. He runs a finger down my back all the way to my derriere's crack making me shake and shiver."

"I go back to his trousers, undo his belt and button. I love being able to nuzzle in his groin. He runs his hand down my arm and into my fingers. He pulls his hand away and I feel it now on my ass. His hand covers my butt cheek and his finger plays with my little brown star, backwards and forwards over it, then down to my pussy. By now, you can imagine how wet I am."

"I lift his cock and play with it with the end of my tongue. I pull his whole cock into my mouth; he loves that. I suck him to hardness as I pull his cock from my mouth and start licking down to his balls. He runs his fingers along my pussy lips, gently squeezing them now and again. He then finds my clit. I lick down his shaft reaching his balls, gently sucking one into my mouth, then the other. He is driving me mad now playing with my clit. I pull hard on his ball sac with my lips and then I'm back up his shaft, sucking his whole knob into my mouth."

"I am getting so close now, he knows exactly how to play me. He knows exactly what I love. For the first time, his thumb enters me and rubs just up inside while his finger keeps my clit at bursting point. I suck hard on his cock, and then let it fall from my mouth and pull my head up. my mouth is open, my fingers are digging into his legs, my body is shaking. He works harder and harder, he knows I'm almost there. I start to moan, I can feel it building. My nipples are rubbing on the edge of the sofa, my legs are far apart, his thumb is on my g-spot, his finger rubs my clit harder and harder. I groan one long last moan from deep inside my throat."

"Then it starts. He pushes two long fingers deep inside me. I hold my breath, then I'm gone. I can feel myself flooding, He won't stop, still pumping his fingers in and out of me. I am still feeling my way through this beautiful climax when the feelings suddenly build again. I'm going again, I'm going to cum again. He adds another finger and that does it. I drench my pussy all over his hand, and flop down on the floor out of reach of his hand, so on fire. I try to get up, wanting to please him, but he is already up. He lifts me onto the sofa and covers me with a small blanket. He strokes the hair out of my face, kisses my..."

"Stop, stop, stop!!!" I scream into the phone. "I can't take anymore. That didn't really happen? Why did you say all those things, now I have to go take care of myself." I heard the two ladies laughing hard and had to hang up the damn phone.

# A BIRTHDAY'S NOT A BIRTHDAY WITHOUT A BIRTHDAY FUCK

**Y**ou just gotta love birthdays. Especially milestone birthdays, like 21, 30, 40, 50, 65 and 100. Despite a deep apprehension at turning 21, Derrick felt a little excitement as he headed home from a birthday round of drinking with his buddies. It started innocently enough with a challenge of beer pong, na dended with two of the guys passed out on the sofa. Derrick managed to control himself enough to drive himself home.

Pulling into his garage, he was hoping for a quiet night with his girlfriend and maybe getting a quick handjob in bed as they watched late night TV before falling asleep.

Laureen was sitting in the living room with the next door neighbor doing that girlie gossip thing. She barely looked up at him but did acknowledge his stumbling into the room with a small sneer. Turning back to the neighbor, Derrick just heard white noise coming out of their mouths. He decided he needed to freshen up and sober up.

He poked his head back to the living room and told the ladies he was going to go shower. Going up the stairs, Derrick decided to treat himself to a long, hot bath. After almost an hour, he gets out and noticed how pruned his skin was and thought, that in another twenty years he may be looking like this even without a bath. He reaches for the towel and realizes it is not there. He'll have to walk across the room to get one and as he opens the door, there is Laureen with a towel wrapped around herself. She asks him if he is looking for this, and takes it off and hands it to him.

Naked underneath, he sees the hot beautiful woman he's been married to for almost a year. "Happy Birthday, baby." she croons as she walks over to him and begins to dry him off.

She still has that tight body he used to ravish every day. She begins by drying off his shoulders, chest and belly. Reaching his groin, she passes on his privates and dries off his legs. Turning the towel to a dry area, she goes back to his crotch and rubs the towel into his pubic hair and down under his cock to dry off his balls.

"Turn around." she says, and Derrick obliges her, putting his hands on the wall like a cop was about to frisk him. She dries off his shoulders and back and softly pushes the towel between his cheeks to be sure he is good and dry back there, too. Derrick is enjoying every minute of this, being relaxed from the tub and now a vertical towel massage.

Throwing the towel on the floor, Laureen pulls Derrick towards the bed. Now he takes over, laying Laureen down and begins kissing her neck, gently nipping and running his tongue all over her soft flesh. Gradually he moves down her body running his tongue around her naked breasts and bare belly cupping her firm breasts as he goes lower and lower on her. He then retraces his slippery path back up her body reaching and sucking her erect nipples. When he begins with gentle bites, she moans softly and her breathing becomes quick and sharp.

He reaches between Laureen's warm and moist legs to gently caress her clit. Again he slides down her body kissing it all the way and reaching her soft delta. He begins to slurp up the juices that began to flow. Derrick places his fingers on her pussy to gently spread her lips apart. He then gently pressed his fingers into her mound and just as he was about to insert one she turns away and rolls on top of him.

Reaching across his chest and into the drawer on the nightstand, she grabs a blindfold and places it over his eyes, tying it behind his head. She then grabs some scarves and ties him to the bed so that his arms were spread apart.

She then begins to kiss him and moves to his ear, nibbling on his earlobe and whispering "Happy Birthday." Again and telling him to relax and enjoy. Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples. Slowly she moves her head down his body and begins to lick the head of

# HE FELT HIS COCK PENETRATE NEW TERRITORY

his cock, licking the entire length of his shaft and then plunging his cock deep into her mouth. She sucks harder and harder, taking time to lick it and nibble at it's head causing him great pleasure and a tiny bit of pain.

Replacing her mouth with her hands, she starts stroking his cock until she feels him about to come. "Not yet." She whispers and he feels her get off him and off the bed. Moments later he heard her return climbing on top of him and guiding his rock hard cock into her pussy. She pumped up and down using her knees and thighs in a steady pace for a few minutes.

She then bent down on top of him and he hears a whisper in her ear, "Happy Birthday, Derrick," but the voice was not Laureen's. Before he realized what was happening a moist fleshy body part landed on his face and pushed into his mouth. It couldn't be Laureen, he thought, she's riding me. The taste of pussy filled him, but it was a new one. One he did not recognize, but at a time like this it did not seem to matter. It tasted so good that he began to lick it with gusto. As he was doing this the pussy got wetter and wetter and he had to taste more so he forced his tongue inside.

Down below, Laureen had quickened her pace and was moaning loudly. The girl sitting on his face began to moan softly and her juices began to ooze out from between her legs covering his face in a warm sticky substance. She began to rock backwards and forwards forcing his tongue further inside her and Derrick could hear both girls moaning loudly.

Derrick felt himself building up to orgasm and within a few minutes he exploded just as Laureen got off him. She helped finish his climax with her hand as he felt his splooge warm and wet on his belly. Laureen gave little squeals of pleasure at a job well done as the girl on his face felt his climax and joined him

with one of her own, flowing her cum-juice all over his lips and chin.

Derrick could feel the women trade places as the new girl grabbed his cock and immediately brought it back to attention with her lips and mouth. Laureen moved to the top and carefully placed one of her nipples into Derrick's mouth and he began sucking like he wanted to get out every last drop of nipple juice.

He felt his cock penetrate new territory. Much firmer than Laureen's. A tightness that brought him back to his college days and the girls that visited him in his dorm room.

He could hear the girl gasp as his cock was slowly swallowed up. Derrick began to pump his hips and his cock began to slide more freely inside. She responded with gyrating hips and perfectly timed bounces to keep him hard and deep.

# ON THREE, THEY EACH BLEW THEIRS OUT

All of a sudden everything came to a stop as Lauren removed his blindfold. Slowly adjusting to the light, his eyes looked up at four breasts and two

faces kissing in the half light. The kisses stopped and they both looked down at him. It was Faith naked and bouncing up and down on his cock. She was the neighbor Lauren was talking to as he came home. She was always a little snooty he thought after living next door for all these years. But he was wrong and now her dark brown hair was draped all over her face and she looked as though she was enjoying every minute. He could see her tits which were about the same size as Lauren's bouncing as she moved up and down.

Looking further down her body he could see that her pussy was cleanly shaven and he could just see the

beginning of her slit between her legs. Lauren and Faith looked at each other and began to passionately kiss each other again, and their tongues began to work away rolling together.

The two untied Derrick from the bed and as he stood up to stretch Faith fell on top of Lauren and she began to move slowly down her body until she reached her pussy. She stuck out her tongue and began to lick Lauren's crotch.

Seeing Faith bent over with her butt in the air, Derrick could see her soaking pussy clearly. He placed his fingers deep inside her and proceeded to finger fuck her as fast as he could. Faith's breathing quickened and her body began to squirm, he pulled his fingers out just as her cum squirted out of her pussy. He then rammed his cock into her and began to thrust. He licked his fingers clean of Faith's pussy juice and fucked her as hard and as fast as he could. Faith began to scream loudly and had a powerful orgasm, her body began to shake and she slammed her body against Derrick's as hard as she could so that he was very deep inside her. Derrick filled her tight pussy with his cum until it began to pour out of her. Both ladies started to moan as Faith orgasmed first and Lauren not far behind.

The girls switched positions and Lauren began to suck Faith's pussy and sucked out all the cum that she produced from the orgasm she just had. Derrick now saw that Lauren had her ass in the air and slammed his cock into her. Lauren gasped with as Derrick leaned forward and inserted the length of his cock into her.

All three of them were now moaning and just as Derrick was about to cum he pulled out of Lauren and shoved his cock in Faith's mouth. She took all of his cum and swallowed. Derrick and Faith began to kiss and Derrick could taste a mixture of his, Lauren's and Faith's cum.

Derrick felt his cock become stiffer and rolled onto his back. Both ladies began to suck and lick his cock at the same time. He was ready to cum again and shot his load all over both of their faces. They both looked at each other and began to lick the cum from each other. Once they were both clean all three lay on the bed next to each other on the bed. After a few minutes, Lauren gets up and leaves the bedroom only to return a few minutes later with a small cake with three candles on it. She gave one to Derrick and one to Faith, keeping the other for herself. On three they each blew theirs out and, as if on cue, the two ladies smashed the cake into Derrick's face with sing-song voices saying...

# Allie Haze

This is shaping up to be a rough day for our cute Allie. She's not doing well in her Human Sexuality class (really) in college so she's gone over to her professor's house for more tutoring. She dressed down to be sure that she would get the best grade she could. After an hour of hitting the books, the prof hit on her. She wondered why it took so long, but now it didn't matter. His penis replaced his pen and found a nice warm place in her sweet mouth and ultra tight pussy. She wouldn't tell us her final grade, but her great big smile told all.
